March 2022

Dear colleagues,

We express our respect to all of you who have made every effort to educate, research, and treat patients with gynecologic cancer despite the COVID-19 pandemic for three years.

Since its establishment in 2008, the Asian Society of Gynecologic Oncology (ASGO) has aimed to provide high-quality education, research, and treatment for patients with gynecological cancer. Thanks to your passions and active participation, the ASGO is advancing beyond Asia to become a world-class society parallel with the other Sister Societies.

The upcoming official conferences of the ASGO are as follows:

- 7<sup>th</sup> International Workshop, August 27-28, 2022
- 8<sup>th</sup> Biennial Meeting, December 1-3, 2023

ASGO is yours, with a stage where you can show your capabilities. We believe the first step is to join/renew the ASGO membership by paying an annual membership fee.

<http://www.asiansgo.org/Member/BecomeaMember.asp>

We will provide ASGO members with access to the previous ASGO conference materials, discounts on registration fees for future ASGO official conferences, and discounts on the article processing charge (APC) of the official journal of ASGO, "Journal of Gynecologic Oncology."

Thank you very much.

Sincerely,

Asian Society of Gynecologic Oncology
