

KSMO 2025 (18th Annual Meeting of the Korean Society of Medical Oncology & 2025 International Conference) will be held at Grand Walkerhill Hotel, Seoul in Korea from September 3 to 5, 2025.

Since our first congress in 2019, KSMO has seen remarkable growth. For the upcoming KSMO 2025, we are preparing for a highly dynamic and stimulating array of scientific programs under the theme ‘Excellence, Innovation, and Hope in Cancer Care.’

KSMO 2025 will be a highly rewarding international conference and we look forward to seeing you!
